### **CHAIRMAN'S REPORT**

May I begin the Annual Parish Report by expressing my pleasure at a splendid year for Bleadon Parish Council. As you will hear from the Councillors reports much has been accomplished over the last twelve months. We have achieved Quality Council Status having adhered to all the requirements set by National Government. We gained this prestigious award last December and I proudly accepted the Certificate in January this year.

More recently we have also been awarded in competition with hundreds of parishes a NEC internet-ready PC and a twelve month connection to BT Yahoo Anytime as part of the BT Community Connections Award Scheme. For the benefit of the local community this will be sited in the new Post Office which will open on Saturday 23<sup>rd</sup> April.

After discussions in Council over the year the Village Plan was launched in January and is being masterminded by four Sub-Committees and a Steering Committee. We should soon be able to publish a questionnaire which will be distributed throughout the village and the returns from this will be vital to the final draft.

We have harried the Highway Services for "The Gang" to keep our roads in order. The Jubilee Garden has been refurbished and the Parish tubs filled with seasonal plants. A Speed Watch scheme has been set up and with help from more volunteers will be extended in the future. New fencing has been erected around the Play Park and the whole area has passed an annual inspection. The Coronation Hall and Jubilee Room continue to be upgraded and the car park is on our list to be resurfaced. So the heart of the village continues to improve.

As a Council we look forward with vigour to the year ahead and the general well being of our community. I thank you all for your continuing support and remind you that the Parish Council meets on the second Monday of each month and your attendance is always welcome.

## **THE VILLAGE PLAN**

### **PUBLIC QUESTIONS**

- (a) Rubbish and untidy smallholding in Facum Lane

The Chairman advised that the matter is in the hands of North Somerset Council

- (b) Earthworks at Purn Farm

The Chairman advised that the matter is being investigated by North Somerset Council. Councillor House added that he understood that the work had been completed apart from re-grassing the area.

- (c) Footpath Diversion (field adjacent to Wonderstone House)

There being no further business, the Chairman thanked councillors and members of the public for their attendance and closed the meeting at 8.15pm
